- The structure is identical to our standard range, we have simply removed a few features to lower the cost. The small front wheels and lever brake have been replaced with simple “wheel barrow” style handles to move the steps around. The kick plate around the top platform has also been removed.
- This range of budget mobile steps is ideal for sporadic and occasional use.
- The mobile ladder is fitted with our industrial hi-grip step as standard and safety operating sticker.
- Mobile steps are painted as standard using a one coat primer/finish - Zinfos 700CT, or can be galvanized.
