Internal Dimension Diam H	370 170 mm

This food safe bin is manufactured from tough, 100% food grade medium density polyethylene. It is ideal for storing and transporting ingredients in bakeries and food related environments. The bin is stackable and will stack with any bin in our Interstacking Bin Range. There is an accompanying dolly with 75mm castors that fits the bins. The interstacking bin has a completely smooth interior for easy cleaning. The bins have a wide lip for ease of lifting. Two styles of optional lid can be selected from within the options. A loose fitting lid and a tight clip on lid. The bin is available in a range of colours, you can choose the colours in the options.
