This plastic tapered truck is manufactured from 100% food grade, medium density polyethylene and is perfect for a wide range of uses and environments. The truck is tapered and nestable, making transportation highly cost effective. It comes with a plywood strength enhancing support base as standard, but a plastic or galvanized base can be fitted where food hygiene is a factor. This bin is fitted with 4 x 4" castors mounted in a diamond pattern. It has completely smooth interiors for easy cleaning. The truck is available in a range of colours, you can choose the colours in the options. Optional one piece plastic lid is available in all colours to suit the truck.
