

Used Dolly 2-DOLLY-1

Product Overview

Z/2/DOLLY/1

Delivery is calculated at checkout according to postcode and pallets used. Collection from our Kettering premises is free.

Specifications	
O/A Dimensions	400x590x150mm

This Dolly is lightweight and compact and has 2 handles built into it's base for ease of manoeuvring. Very hygienic and easy to clean, it is a more versatile and cost effective alternative to metal dollies and will not rust or deteriorate over time. Price excludes delivery and VAT.
