Features	Skids on long side; half cupped feet for stacking

Our TITAN post pallet range has a capacity of 1500kg. Units have skids on the long side and can be stacked on top of one another due to the half cupped feet on top of each post.

Available in a wide range of RAL standard colours. Guaranteed free from burrs, with chamfered and rounded corners. Accessories such as card holders, identification plates, wheels and lids are available.
