Forklift Sleeve Box Internal Size	165mm x 65mm

This slip on jib is an attachment for forklifts. The Forklift sleeve box is formed from chunky 180mm x 80mm box section. On each corner is a swivel hook to take the bulk bag corner strap. The bulk bag jib has a load capacity of 2000kg and is CE certificated for safe use. The jib is zinc plated to give a long life in any environment. The bulk bag jib has a chain fitted which can be attached to the forklift mast or carriage to ensure the lifting jib cannot slide accidentally off the forks.
