Our platform trolleys offer a quick and easy way to move products and items around without a lot of manual labour. We even have an alternative wheel option. You can replace the two swivel castors for our braked swivel castors giving you extra control and customisation of what platform trolley best suits your requirements. As a specialist trolley manufacturer for commercial and industrial properties, we offer a wide range of order picking trolleys, turntable trucks and platform trolleys. No Braked Castors (Standard)
