

Aluminium ratchet Cargo Stay with pads S-CS001

Product Overview

Z/S/CS001

Load restraint items ship in bundles. Delivery is calculated at checkout according to the number of bundles needed. Collection from our Kettering premises is free.

Specifications	
Adjustable Length	2.3m – 2.6m
Material	Aluminium

Aluminium Cargo Stay with Rubber pads can be used in the back of trailers or shipping containers to secure many different items and without the need of load track. The cargo stays can be used horizontally side to side at any height in a box trailer or can be used vertically floor to ceiling in curtain trailers. Adjustable length 2.3m to 2.6m. Custom sizes available, we often make short ones for vans etc.
