- These are stackable stillages that with the addition of a strong steel tipping frame are transformed into dumping containers that can be emptied with a standard forklift truck.
- All our containers are available in a wide range of RAL standard colours, you can select the colour from within the options. The containers are guaranteed free from burrs, with chamfered and rounded corners to avoid injury during use.
- At Steps and Stillages we also have a complete range of accessories designed to integrate with our stillages. These include; card holders, identification plates, frames on wheels and removable lids for stillages

Colour Options:
