Volume - Cubic Metres	0.3 m ³
Skip Length	2075mm
Skip Width	1065mm
Skip Height	1410mm
Weight	235kg
Load Capacity	2000kg

- It is a heavy duty tip skip with an impressive load capacity of 1000kg. The tilting skip can be positioned by forklift in the warehouse, factory or building site etc and then picked up and moved by forklift to be emptied.
- A spring loaded pressure plate at the front enables automatic tipping - simply drive the tipping skip to a skip and push the base against the edge and the hopper will tilt forward and empty
- The tipping skip is securely locked in the vertical position when in use with a spring lever catch. Chains are fitted to the skip which can be secured to the carriage of the forklift to ensure the tipping skip cannot accidentally slide off.
- Powder coated finish in blue RAL 5010, Linkage pieces are bright zinc plated.
- Tipping skip is CE certified.
