- A Demountable model roll pallet with two yellow epoxy powder coated sides and a grey plastic base.
- The roll pallet sides simply lift off the roll cage base and are held on with spring clips
- Also available is a loose shelf and up to 3 can be fitted to each roll cage.
- This plastic base demountable roll pallet is light and comfortable to move around and is also very hygienic if pressure washed.
- The base is moulded from plastic with steel strengthening in mould. The sides are manufactured from prime ERW-grade mild steel with joints welded for outstanding strength and durability and are epoxy powder coated.
